Resumes of prospective Officer/Board members

Our first important purchase when we were married was a home with a big yard, so we could get our second most important purchase! In 1979, we bought our first Golden Retriever. I went to three different breeders, leaving the "most expensive" for last. We didn't do any research, but recognized that the last breeder I visited was totally dedicated to the welfare of her Goldens. I am forever grateful to Cherie Berger for that first joyful Golden experience!

I was very involved in our scuba diving business for many years. Our son's academic and athletic pursuits kept us very busy, too. By the way, he and his wife are volunteers for GRREAT on the East coast. And now, I have the time to pursue more involvement with Goldens. I consider myself sort of an "old newbie" and many people in our club have been kind to me.

I've been a member of Fort Detroit GRC and GRCA since 2008. I have enjoyed helping out with many of our club's activities including ring stewarding and assisting with WC/WCX events. Most recently, I assisted with the GRCA Central Regional Specialty and learned so much from Chairperson Cheri Stager.

I consider it an honor to be nominated to serve on the Board for Fort Detroit and will do whatever I can to help our versatile breed and our club. Thank you for your consideration.

Kathleen McElroy

I've been a member of FDGRC for approximately 19 years and have been a member of the Board a few times as Recording Secretary. I've shared responsibilities of the trophy grid and trophies, hospitality and decorations for a number of years for our FDGRC Specialty (as far back as when we used to hold our Specialty at the Detroit Fair Grounds) and the Regional Specialty we held a few years ago in Kalamazoo.

My start with Goldens began after my daughter had a peeping tom in her bedroom window one night, and her father said we could get a dog. I didn't particularly like dogs, but agreed with the decision with all the "rules"...not on the furniture, not fed from the table, etc, etc. We got our first Golden, Shamon, out of the paper (I know, I know). And of course I was the first one to break all the rules!!! Now, my dogs are a major part of my life - I don't know how I had survived without one!

I love my Goldens dearly, and enjoy helping out when needed. If you believe these attributes would enhance a position on the board, then I would appreciate your vote of confidence.

Dianne Baker

Many of you at least know my name, JUDIE WEISMAN, since I am currently the person/treasurer haranguing you all for Dues Renewals. Goldens have been my passion since 1974, as an exhibitor in both Conformation and Obedience, and as a breeder. Prior to this current term, I have served as Treasurer for 5 full terms, chaired our Fall Specialty several times, and been treasurer for our current and previous Central Regional Specialties. As a Life Member, it is an honor to serve FDGRC.

Judie Weisman

## BRAGS

From Pat Thebo:

As I retired I had Build a Snowman again on my Bucket list. I have been recently doing some art stuff so I decided to make my snowman a Snow Golden. It turned out better than expected and the dogs had a great time with this but it could have just been they were loving the "snow with Mom" experience. I captured Flurry out of breath with her tongue hanging out as I posed her by the new snow dog. Funny thing is I used sand to do the color but did not know Tom had mixed salt in the sand! Did not really matter much our snow dog stayed around a long time. I may try another one this year. 4th place- Yea!! I sent several photos but did not expect this one to win. Comedy Golden does fit with Flurry who is a real comedian and a lot of fun (Loonsong Steamboat SnowsAComin- note Steamboat Ski hat on snow dog).

From Cindy Collins:

Cindy Collins reports that CH Verity's Arcade Fire finished her championship in early December, finally winning those last two points! Cindy, as KD's breeder, is especially proud!

From Peg Burlett:

Yeah!!! Jay is now a Champion - CH Rhapsody Yet Another One WC. Many thanks to Eileen Hackett for handling him to all his points and finishing with a 4 pt major at one of the Columbus, OH shows in November.
