ANNUAL ACHIEVEMENT AWARDS AND CHALLENGE TROPHIES

The Fort Detroit Golden Retriever Club offers to all its members yearly recognition at the annual banquet in the form of an engraved plaque showing the name of the dog and the individual plates engraved for the following: All AKC titles earned, GRCA Working Certificate, Working Certificate Excellent, Show Dog Hall of Fame, Obedience Dog Hall of Fame, Field Dog Hall of Fame, Agility Dog Hall of Fame, Two Star (**) and Three Star (***) status, Outstanding Sire, Outstanding Dam, Versatility Certificate, Versatility Excellent Certificate, Certificate of Conformation Assessment, and all Fort Detroit Challenge Trophy Winnings.

Requests for plaques and title plates should be sent to the Club Statistician on the proper form.

The Club also will award achievement certificates (not plaques) for titles earned from the Canadian Kennel Club, United Kennel Club, and States Kennel Club. Requests for the certificates should be sent to the Club Statistician on the proper form.

The Club honors dogs with outstanding achievements by awarding its challenge trophies to those dogs excelling in the three areas of conformation, performance, and field work during the challenge period.

These trophies are engraved with the dog's name, owner's name and the year won. They are kept by the recipient for one year and then are returned to the Club Statistician for presentation to the following year's honoree at the next banquet.

GENERAL REQUIREMENTS FOR ALL AWARDS AND CHALLENGE TROPHIES

1. The FDGRC challenge period dates from September 1st through August 31st of the following year. All awards and trophies are given for titles or achievements reached during those periods only.
2. All awards are presented at the annual banquet following the end of the challenge period.
3. Only those titles earned while the owner of the dog is a FDGRC member in good standing shall count towards recognition at the banquet.
4. Those dogs that are co-owned with a person not a FDGRC member in good standing must reside predominantly in the home of the member.

5. Awards will be considered only when submitted on the proper forms, which are available upon request from the Club Statistician.

7. "Points" for the challenge trophies are to be determined on the basis of ownership. Full point credit is to be given to those dogs handled by their owners or members of their immediate family, as defined by the AKC; one-half credit is to be given to those dogs handled by ANYONE else.

8. "Points" shall be awarded for wins in the United States only.

THE GAYHAVEN CHALLENGE TROPHY

Donated by Sam and Betty Gay to recognize the multi-purpose Golden Retriever and as an incentive to develop as much of his/her full potential as possible; to be determined according to the point system described below.

MINIMUM REQUIREMENTS for original eligibility – all are required:

1. 3 points in conformation (at least 2 of which shall be won at one show).
2. A CD or TD degree.
3. A WC or JH title or higher in field events.

It is not necessary that these requirements are met in the same year, however points earned only count in the challenge period in which they are earned. All points earned in the challenge period in which the dog becomes fully eligible will count regardless of the eligibility date within that period. TO REMAIN ELIGIBLE, or to re-qualify a previously eligible dog, he must continue his achievements in any given challenge year within at least 2 of the 3 following categories:

1. Conformation – earn at least 3 more points if still a class dog (2 of which shall be won in a single show) or, if a Special, earn 3 or more points from the Breed/Group/Best in Show point schedule.
2. Obedience/Tracking – earn at least 3 additional qualifying scores at the next level, or pass TD or TDX.
3. Field – earn WC or JH (if not already earned) or higher in field trials or tests (if not already earned).

All points earned during the challenge period will count regardless of the date which eligibility is reestablished. A dog does not have to keep eligible every year, but can re-qualify in later years as long as he had met the minimum requirements at some time.

ONLY AKC LICENSED OR MEMBER EVENTS WILL COUNT, except for the WC or WCX test which must be approved by the GRCA.

CATEGORIES – In no case will points be given at a level of achievement LOWER, within any category, than the dog has already achieved. Many of the AKC regulations do not allow “moving down”, i.e. Senior Hunters cannot run in Junior Hunter tests, but for the purposes of this trophy the following categories are established and only achievements at the dog’s current level, or higher, will count.

Conformation – Class dogs, Specials (Best of Breed class)

Obedience – CD, CDX, UD, OTCH (Utility dogs and OTCH dogs continue in Utility and Open B)

Tracking – TD, TDX

Field Trials – Derby, Qualifying (while eligible), then all points in Amateur, Open, Limited, and Special All-Age stakes.

Dogs at the top of any category can continue to make points at that level at any time.
